# Part A: Pupil Premium Strategy Plan

## Statement of Intent

At Parwich Primary School, we target the use of Pupil Premium Grant funding to ensure that our disadvantaged pupils receive the highest quality of education to enable them to become active, socially responsible citizens of the future and lifelong learners. We have high expectations for all pupils in our school and believe that with great teaching, effective engagement with parents and a personalised approach to meet children's individual needs, every child can fulfil their individual potential, both academically and socially.

We engage in a range of strategies to issue challenge at an appropriate level and provide support to overcome barriers to learning. We provide a rich and varied curriculum, which makes an exceptional contribution to pupils' outcomes so that children are engaged and achieve well. Key interventions and approaches may be adopted on a whole school level and may not only be restricted to pupils eligible for the Pupil Premium. Some specific interventions and school initiatives have been made possible by allocating the Pupil Premium and/or catch-up funding. Our strategies target the individualised needs of our children in receipt of Pupil Premium, with the main aim being that these children do as well as their peers with similar starting points, who are not eligible for the Pupil Premium.

School leaders at Parwich Primary School are committed to ensuring that all of our disadvantaged pupils, including those who are able, gifted and talented, receive teaching which is at least good in every lesson and that disadvantaged children who have 'fallen behind' their peers with similar starting points, receive frequent intervention and daily support.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Lower prior attainment and slower progress.
2	Weaknesses in learning behaviours - lack of self-belief, determination, resilience and readiness to learn. PP pupils can struggle to reflect and evaluate their own learning and can lack self-motivation and confidence to improve.
3	Personal, social and emotional behavioural challenges, exacerbated by the 'Lockdowns'.
4	Limited life experiences beyond their home and immediate community.
5	Lower attendance and higher rates of persistent absenteeism.

## Intended Outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<p><u>Attainment &amp; Progress</u></p> <ul style="list-style-type: none"> <li>Disadvantaged pupils make at least expected progress from their individual starting points in all areas of the curriculum and especially in Reading, Writing and Maths.</li> </ul>	<ul style="list-style-type: none"> <li>The gap is narrowed in the attainment of PP and non-PP children, unless they have severe and complex learning needs.</li> </ul>

<p><u>Experiences</u></p> <ul style="list-style-type: none"> <li>PP pupils are exposed to a breadth of experiences that enable them to contextualise their learning;</li> <li>PP pupils love learning and have access to an engaging, broad and varied curriculum.</li> </ul>	<ul style="list-style-type: none"> <li>PP pupil's experiences are widened and extended across the curriculum;</li> <li>PP pupil's attitude to learning matches non-PP pupils; they have an excellent attitude, which has a strong, positive impact on progress.</li> </ul>
<p><u>Attendance</u></p> <ul style="list-style-type: none"> <li>PP pupils will meet national expectations for attendance.</li> </ul>	<ul style="list-style-type: none"> <li>PP pupils will match or exceed national averages for non-disadvantaged pupils.</li> </ul>
